About Us

The Sustainable Sheep and Fiber Community of Northern Minnesota is a non-profit organization that works to empower producers, educate consumers, build relationships and support communities. The SSFC sponsors events and educational opportunities for producers, consumers, fiber artists and youth that provide information on the environmental and economic sustainability of sheep and fiber animals.

Sustainable Sheep and Fiber Community of Northern Minnesota

Sponsored Events

The SSFC sponsors multiple educational opportunities and community events throughout the year to promote the value of sustainable farming, the value of supporting local producers, and the value of building relationships to improve the quality of northern Minnesota communities.

4H Fiber Fun Day

Our events include:

Sustainable Sheep Farming Event

Held the 3rd Saturday in February the Sustainable Sheep Farming event offers multiple seminars and educational opportunities for anyone interested in sustainable practices for raising sheep and fiber animals.

“Sustainability is a strategy to strengthen our communities by supporting local resources to produce our food and our products.”

Farm to Fiber Festival

The festival celebrates the fiber heritage of northern Minnesota while showcasing local fiber producers and artists.

Come join us for a fun, fiber-filled weekend, take a class, shop for yarns, fiber or art, enjoy the beautiful northern Minnesota countryside and meet the farmers who produce the fibers that make our clothing, arts and crafts possible.
